

PRESS RELEASE

Safic-Alcan extends distribution agreement with Arlanxeo

Paris-La Défense, Oct 2, 2018 – Effective Jan 1st. 2019, Safic-Alcan, an international specialty chemicals distributor, is pleased to announce an extended exclusive agreement with Arlanxeo for Keltan® distribution in France.

Drawing on their successful partnership with Safic-Alcan for Italy, Benelux, Germany, Austria, Switzerland and Czech Republic, Arlanxeo has decided to extend its existing Keltan® distribution agreement to France.

Recognized globally, the Keltan® brand is synonymous with quality and reliability and as such is a valued supplier and partner in EP(D)M. The portfolio of Keltan® contains a wide range of grades, offering a huge diversity of properties that offer freedom in recipe formulations, product design and processing windows.

Keltan® grades are used in a wide variety of everyday products, ranging from wire & cable to household appliances, automotive, tire & tube, roofing & geo-membranes and other miscellaneous rubber articles.

Safic-Alcan teams are looking forward to further developments with well established and innovative new Keltan® grades with customers in France, by taking advantage of synergies with their whole and complete product range of additives for EP(D)M applications. Safic-Alcan is well known for its high quality of service and strong technical support for continuously offering new technical solutions for rubber formulations that responds to special needs to pass more demanding specifications or SH&E regulations and Keltan® grades and Arlanxeo support represents obviously a perfect fit with those key objectives.

“We are happy to extend our partnership with Arlanxeo to the French market where we have an important demand for high quality EPDM”, said Philippe Combette, CEO of Safic-Alcan
